PART III — NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-CEN, or the transition report or portion thereof, could not be filed within the prescribed time period.

Streamline Health Solutions, Inc. (the "<u>Company</u>") has determined that it is unable to file its Quarterly Report on Form 10-Q for the quarterly period ended October 31, 2019 (its "<u>Form 10-Q</u>") within the time period required for the reasons specified below.

As previously disclosed, in preparation of the Company's financial statements for the third quarter ended October 31, 2019, the Company discovered certain software projects underlying its "Capitalized Software Development" asset were not appropriately amortized and the corresponding amortization expenses and net Capitalized Software Development asset balance were not correct in the Company's consolidated financial statements for fiscal year 2018 and for the first half of fiscal year 2019. The Company is currently working to resolve this issue and to determine the need to amend previously filed financial statements. As a result of this discovery, the Company encountered a delay in the assembly and review of the consolidated financial information for the period ended October 31, 2019, which delay could not be eliminated.

In accordance with Rule 12b-25 of the U.S. Securities Exchange Act of 1934, as amended, the Company expects to file its Form 10-Q no later than the fifth calendar day following the prescribed due date.
