Streamline Health To Present During 8th Annual Craig-Hallum Alpha Select Conference

ATLANTA, Nov. 9, 2017 /PRNewswire/ -- [Streamline Health Solutions, Inc. \(STRM\)](#), provider of integrated solutions, technology-enabled services and analytics supporting revenue cycle optimization for healthcare enterprises, today announced that David Sides, President and Chief Executive Officer will be presenting at the 8th annual Craig-Hallum Alpha Select Conference in New York City on Thursday, November 16th, 2017.

Streamline Health is leading an industry movement to improve healthcare providers' financial performance by moving mid-to-late revenue cycle interventions upstream, which optimizes coding accuracy for every patient encounter prior to bill submission. By improving coding accuracy before billing, providers can reduce revenue leakage, mitigate overbill risk, and reduce denials. Streamline Health's latest offering, Streamline Health[®] eValuator[™], is integral to achieving this optimization, and multiple clients (existing and new) have contracted for eValuator and/or Streamline's Coding Audit Services in Q3-2017.

The slides used in Mr. Sides' presentation will be posted on Streamline Health's website, www.streamlinehealth.net, and remain available for a period of at least 90 days following the presentation.
