

Streamline Health Signs New Client Contract For Its eValuator™ Automated Pre-Bill Analysis Solutions And Services

February 8, 2018

New Client Also Contracts For Streamline Health's Coding Audit Services

ATLANTA, Feb. 8, 2018 /PRNewswire/ -- [Streamline Health Solutions, Inc.](#) (NASDAQ: STRM), provider of integrated solutions, technology-enabled services and analytics supporting revenue cycle optimization for healthcare enterprises, announced the signing of a new agreement on January 31, 2018 with another Midwestern healthcare provider. The new client contracted for Streamline Health eValuator, the new cloud-based automated pre-bill code analysis technology, as well as both pre-bill and post-bill Auditing Services.

Streamline Health is leading an industry movement to improve healthcare providers' financial performance by moving mid-to-late revenue cycle interventions upstream, optimizing coding accuracy for every patient encounter prior to bill submission. By improving coding accuracy before billing, providers can reduce revenue leakage, mitigate overbill risk, and reduce denials and days in A/R. This enables providers to turn unpredictable revenue cycles into dynamic revenue streams.

"The word is spreading about the power and benefits of our eValuator technology, and we are very pleased to add another leading healthcare provider in the Great Lakes region to our growing roster of clients," stated David Sides, President and Chief Executive Officer of Streamline Health . "We look forward to helping them improve their financial performance – and to growing along with them."
