

Streamline Health(R) To File its Form 10-Q For Third Quarter 2019 on or around January 6, 2020

January 2, 2020

ATLANTA, GA / ACCESSWIRE / January 2, 2020 / Streamline Health Solutions, Inc. (NASDAQ:STRM), provider of integrated solutions, technology-enabled services and analytics supporting revenue cycle optimization for healthcare enterprises today announced that, on December 24, 2019, the Company received a letter from the Listing Qualifications Department of The Nasdaq Stock Market LLC ("NASDAQ") stating that NASDAQ has determined that the Company is not in compliance with NASDAQ Listing Rule 5250(c)(1) due to the Company's failure to timely file its Quarterly Report on Form 10-Q (the "Form 10-Q") for the quarter ended October 31, 2019 with the U.S. Securities and Exchange Commission (the "SEC").

The NASDAQ letter notes that the Company is required to submit a plan to regain compliance with NASDAQ's filing requirements for continued listing within 60 calendar days of the date of the NASDAQ notification letter. Upon acceptance of the Company's compliance plan, NASDAQ is permitted to grant an extension of up to 180 days from the Form 10-Q's filing date for the Company to regain compliance with NASDAQ's filing requirements for continued listing. The NASDAQ notice has no immediate effect on the listing or trading of the Company's common stock on The NASDAQ Capital Market.

The Company anticipates that it will file its Form 10-Q with the SEC on or around January 6, 2020 and thereby regain compliance with the NASDAQ continued listing requirements eliminating the need for the Company to submit a formal plan to regain compliance.
