

## West Coast Academic Medical Center Signs New Contract for Streamline Health® eValuator™

November 22, 2022

*Chooses Automated Pre-Bill Coding Analysis to  
Improve Financial Performance*

Atlanta, GA, Nov. 22, 2022 (GLOBE NEWSWIRE) -- [Streamline Health Solutions, Inc.](#) (NASDAQ: STRM), a leading provider of solutions that enable healthcare providers to proactively address revenue leakage and improve financial performance, announced today it has signed a contract with a 630-bed, Epic-EHR based academic medical center in California. The organization will use eValuator's automated pre- and post-bill coding analysis technology to help improve revenue integrity and financial performance.

Streamline Health is leading an industry movement to enable every hospital in the country to use pre-bill technology to improve financial performance. With eValuator, providers are identifying and addressing coding issues before they contribute to revenue leakage, denied claims and non-compliance exposure. The company combines this new technology with expert auditing services & support to deliver a complete Revenue Integrity Program to its clients. The eValuator program helps users optimize coding and documentation accuracy for every patient encounter prior to billing, substantially improving current financial performance while also assisting in the transition to new payment models.

"We are pleased to partner with another academic medical center to help ensure revenue integrity prior to billing," stated Ben Stilwill, President, Streamline Health. "Using pre-bill automation to assess coding accuracy and prioritize potential issues will enable their staff to focus on the areas requiring their expertise, allowing for maximum impact in terms of compliant financial performance."
