

Non-Profit Health System Signs New Contract for Streamline Health® eValuator™

January 4, 2023

*Chooses Automated Pre-Bill Coding Analysis to
Improve Financial Performance*

Atlanta, GA, Jan. 04, 2023 (GLOBE NEWSWIRE) -- [Streamline Health Solutions, Inc.](#) (NASDAQ: STRM), a leading provider of solutions that enable healthcare providers to proactively address revenue leakage and improve financial performance, announced today it has signed a contract with a 350-bed, Cerner-EHR health system based in Missouri. The organization will use eValuator's automated pre-bill coding analysis technology to help improve revenue integrity and financial performance.

Streamline Health is leading an industry movement to enable every hospital in the country to use pre-bill technology to improve financial performance. With eValuator, providers are identifying and addressing coding issues before they contribute to revenue leakage, denied claims and non-compliance exposure. The company combines this new technology with expert auditing services & support to deliver a complete Revenue Integrity Program to its clients. The eValuator program helps users optimize coding and documentation accuracy for every patient encounter prior to billing, substantially improving current financial performance while also assisting in the transition to new payment models.

"We are pleased to have the opportunity to support this health system with eValuator's unique pre-bill coding analysis," said Ben Stilwill, President, Streamline Health. "We look forward to partnering with this client to ensure they are paid accurately for the care they provide."
