Streamline Health Adds Michael K. Kaplan to Board of Directors

CINCINNATI, Jan. 10, 2012 /PRNewswire/ -- Streamline Health Solutions, Inc. (NasdaqCM: STRM), a leading provider of enterprise document management and revenue cycle solutions for healthcare organizations, today announced the addition of Michael K. Kaplan, founder and managing director of Altos Health Management, to its Board of Directors.

Mr. Kaplan brings more than twenty years of healthcare experience as an operator, acquirer, venture investor, board member, consultant, and investment banker. Prior to founding Altos Health Management, Mr. Kaplan was a partner at Three Arch Partners, a venture capital firm focused on healthcare. He was involved with 18 portfolio companies during nearly a decade at Three Arch. Before joining Three Arch Partners, Mr. Kaplan was an operating executive at Blue Shield of California where he had a variety of roles, including vice president of corporate development and strategic planning, regional chief executive for Northern California, and vice president of business transformation. Earlier in his career, Mr. Kaplan was a senior manager in consulting for APM Incorporated/CSC Healthcare and a financial analyst at Kidder, Peabody & Co. Incorporated.

"The addition of Mr. Kaplan to our Board of Directors is further indication of our Company's forward momentum," said Robert E. Watson, president and chief executive officer of Streamline Health. "He brings to Streamline Health a wealth of healthcare experience and we are confident he will support our Company as it continues on its path of strategic growth."

"I am pleased to be joining the Streamline Health Board of Directors and for the opportunity to work with this team," said Michael K. Kaplan. "It is an exciting time for the field of healthcare information technology, and for companies like Streamline Health. I look forward to offering my knowledge and experience to assist with the Company's future."

About Streamline Health

Streamline Health provides leading-edge technology solutions that help healthcare provider organizations improve the quality of patient care, reduce operating expense, and optimize revenue. Our Software as a Service solutions simplify and facilitate improved patient access, transition paper-based content to electronic records, and provide increased transparency to key financial metrics.
