Streamline Health® Announces Strategic Relationship with RSource

Arrangement Will Strengthen Revenue Cycle Offerings for Both Companies

ATLANTA, Dec. 12, 2012 /PRNewswire/ -- [Streamline Health Solutions, Inc.](#) (NASDAQ: STRM), a leading provider of enterprise content management, business analytics, computer assisted coding (CAC), and clinical documentation improvement (CDI) solutions for healthcare providers, today announced that it has entered into a cross marketing agreement with RSource, a leading provider of receivables management recovery solutions for healthcare providers.

Under the terms of the agreement, RSource may utilize the Streamline Health business analytics solution [OpportunityAnyWare™](#) to facilitate the revenue recovery services it provides to its clients, known as RCover. With OpportunityAnyWare, RSource now has the ability to identify financial opportunity for its clients and the agility to work with any data set and generate fast, sustainable ROI. In addition, the companies can offer each other's services within their respective client bases to help maximize revenue cycle performance.

"We are very pleased to begin working with RSource as they have a strong reputation in the industry for recovering substantial dollars from third party payers for hospitals nationwide," said Robert E. Watson, President and Chief Executive Officer of Streamline Health. "The relationship will help us achieve our ultimate goal, which is to help our clients maximize the results they can achieve using our business analytics solutions."

"This arrangement will allow us to do much more than simply share client relationships and provide complementary technology and service solutions, it enables us to offer RCover, the industry's first comprehensive zero-balance audit and recovery program," stated Lawrence Reid, CEO of RSource. "We are looking forward to a successful partnership."

About Streamline Health

[Streamline Health Solutions, Inc.](#) (NASDAQ: STRM) is a leading provider of SaaS-based healthcare information technology (HCIT) solutions for hospitals and physician groups with offices in Atlanta, Cincinnati, and New York. The company's comprehensive suite of solutions includes: enterprise content management (ECM), business analytics, integrated workflow systems, clinical documentation improvement (CDI), and computer assisted coding (CAC). Across the revenue cycle, these solutions offer healthcare enterprises a flexible, customizable way to communicate between disparate departments and information systems to improve processes, boost productivity, and optimize clinical, administrative and financial performance. For more information, please visit our website at <http://www.streamlinehealth.net>.

About RSource

RSource is an attorney-led healthcare receivables management company that specializes in the timely resolution of third-party-payer claims for hospitals nationwide. Service lines include Patient Non-Compliance (getting necessary information from patients so insurance claims can be paid), Problem Claims and Denial Recovery, Workers Compensation and MVA/Third Party Liability programs, and RCover. RSource has extensive experience with all payers, including health insurers and managed care companies, workers' compensation and motor vehicle and liability carriers, Medicare, Medicaid, and the Veterans Administration. Problem claims and payer classes can deplete a disproportionate amount of hospital resources and drive up a hospital's Cost to Collect. By referring these challenges to RSource, a hospital can refocus its staff on more current, liquid inventory, improving A/R Days and maximizing reimbursement. RSource has a proven track record, and a reputation for treating payers and patients with respect while aggressively pursuing timely and maximum reimbursement for its hospital clients.
