## **Streamline Health® Announces New Reseller Agreement With himagine solutions**

### **Looking Glass® CDI and Coding Technology Enables More Accurate and Efficient Billing**

ATLANTA, Dec. 9, 2015 /PRNewswire/ -- [Streamline Health Solutions, Inc.](#) (NASDAQ: STRM), a leading provider of transformational data-driven solutions to help healthcare providers reduce exposure to risk, enhance clinical, financial, and operational performance, and improve patient care, today announced a new reseller agreement to provide its Looking Glass® CDI and Coding solutions to himagine solutions, inc. Specifically, Streamline will enable himagine solutions to resell its Clinical Documentation Improvement and other HIM technology solutions from its Looking Glass platform to help healthcare enterprises improve efficiency and reduce costs in their revenue cycle management.

himagine solutions is a leading healthcare outsourcing solutions provider with the largest team of inpatient and outpatient coders in the U.S. Their professional HIM outsourcing services include basic staff augmentation as well as more strategic managed coding solutions including full department outsourcing through its Enterprise HIM™ offering to support more than 250 healthcare providers across the U.S.

"Our mission is to partner with our clients and design and deliver customized, innovative, and impactful HIM solutions to optimize and accelerate healthcare compliance and reimbursement," stated Michael DiMarco, Chief Executive Officer of himagine solutions. "Adding Streamline's Looking Glass CDI solution to our offerings helps us better execute on that mission."

"himagine solutions is a great new reseller partner for our company because they make a positive difference for their clients by looking ahead to provide innovative financial solutions that optimize reimbursement," stated David Sides, President and Chief Executive Officer, Streamline Health. "Our Looking Glass Clinical Documentation Improvement technology is the perfect addition to their suite of solutions, as it will enable their clients to produce more accurate billing, more efficiently."
