## **FOR IMMEDIATE RELEASE**

### **Children's National Goes Live with Streamline Health's Audit Compliance for the Enterprise Solution**

*Integrated Solutions Enable Children's National to Achieve Audit Efficiency Improvement Benefits*

**Cincinnati, Ohio** – August 24, 2010 --- Streamline Health Solutions, Inc. (Nasdaq CM: STRM) a leading provider of document workflow solutions for hospitals, today announced that it has successfully implemented the Audit Compliance for the Enterprise Solution (AuditACE) at Children's National in Washington, DC.

The breakthrough audit solution was introduced to the market earlier this year by Streamline Health and Children's National officials noted that they have already benefited from the workflow's ease of use and audit efficiency applications.

"Our team is very enthusiastic about the audit solution delivered by Streamline Health," said Sandra Walter, Corporate Compliance Officer at Children's National. "The flexible AuditACE solution facilitates our risk assessment methodologies with improved operational efficiencies and advanced capabilities to meet our future needs."

Streamline Health's AuditACE solution will enable Children's National to ensure its commitment to enhanced patient care focused on safety, innovative solutions and an optimized environment for even the smallest of patients. Additional benefits include:

- An efficient reimbursement process for the hospital through reduced audit recovery, proactive prevention, and comprehensive reporting analytics;
- AuditACE is customized to existing hospital procedures, ensuring a seamless transition and an accelerated adoption rate by hospital personnel;
- Built-in future audit expansion needs for both internal and external audits including RAC, MIC, PERM, ZPIC, third-party, and other government or private payers; and
- One audit framework that supports cross-functional and departmental audit initiatives.

"As the first install of AuditACE, we are pleased to deliver a solution that will be adopted at an accelerated rate, yield exceptional results and builds upon our relationship with Children's National," said J. Brian Patsy, president and CEO of Streamline Health. "Delivering robust solutions for enterprise risk management is key in helping healthcare organizations minimize risk with customizable, easy-to-use applications on a proven platform to enhance business performance metrics and manage the complete audit lifecycle."

### **About Children's National**

Children's National Medical Center in Washington, DC, has been serving the nation's children since 1870. Home to Children's Research Institute and the Sheikh Zayed Institute for Pediatric Surgical Innovation, Children's National is consistently ranked among the top pediatric hospitals by *U.S. News & World Report* and the Leapfrog Group. With 283 beds, more than 1,330 nurses, 550 physicians, and seven regional outpatient centers, Children's National is the only exclusive provider of pediatric care in the Washington metropolitan area. Children's National has been recognized by the American Nurses Credentialing Center as a Magnet® designated hospital, the highest level of recognition for nursing excellence that a medical center can achieve.
