Streamline Health's Enterprise Scheduling And Resource Management Solution Named 2015/2016 Category Leader In Best In KLAS®

Extends Record of 13 Consecutive Years as Highest Ranked Solution

ATLANTA, Jan. 28, 2016 /PRNewswire/ --Â Streamline Health Solutions, Inc. (NASDAQ: STRM), a leading provider of transformational data-driven solutions to help healthcare providers reduce exposure to risk, enhance clinical, financial, and operational performance, and improve patient care, today announced that its Looking Glass® Enterprise Scheduling and Resource Management solution was named Category Leader in the 2015/2016 Best in KLAS report published earlier today by KLAS.Â This makes 13 years in a row that it has been the highest ranked solution in its category.

The 2015/2016 Best in KLAS report ranks healthcare vendors and their solutions by the professionals who use them—healthcare providers. The report highlights shifts in product performance, upcoming products and services to watch, and the continual efforts vendors are making to produce options that support the delivery of care more effectively and efficiently.

"We are proud to be the highest ranked solution yet again, and we're so grateful to our clients who took the time to speak with the KLAS representatives and share how our solutions help them," stated David Sides, President and CEO, Streamline Health Solutions, Inc.Â "Healthcare providers do so much to deliver quality care to their communities.Â Being the highest ranked in the Enterprise Scheduling category for 13 straight years is a testament to how our solution supports those efforts. We're honored to be a part of this process."
