FOR IMMEDIATE RELEASE

CHILDREN'S NATIONAL MEDICAL CENTER SELECTS STREAMLINE HEALTH TO IMPROVE EFFICIENCY OF ENTERPRISE COMPLIANCE

Cincinnati, Ohio - March 11, 2010 --- Streamline Health Solutions, Inc. (Nasdaq CM: STRM) a leading provider of document workflow solutions for hospitals, today announced that Children's National Medical Center in Washington, DC, will be implementing its Audit Integrity Manager Solution for more efficient enterprise compliance with government and healthcare related regulations.

Streamline Health's Audit Integrity Manager Solution will support Children's National in audits required of all pediatric hospitals, including those by third-party payers and government agencies.

"After evaluating a number of approaches to processes involved with third-party audits, we believe that Streamline Health will support our needs," said Linda Metro, director, Health Information Management at Children's National Medical Center. "The flexible design of Streamline's Audit Integrity Manager Product will augment and modernize our manual workflow, an essential element in the complex audits required in healthcare environments."

"We are delighted to provide Children's National Medical Center the leading-edge solutions that expedite its third-party reimbursement and cash flow processes," said J. Brian Patsy, president and CEO of Streamline Health. "Today's reimbursement environment requires flexible and configurable workflow tools. These enterprise audit process management tools are essential in helping large healthcare organizations meet demanding enterprise compliance requirements."

About Children's National Medical Center
